

## About the Journalist

These are my dreams - I hope they don't frighten you.  
Make of them what you may and perhaps you have similar ones to mine?  
Awed by the Sea and Nature and our natural Humanity.  
Afraid of what the Greed has done to our Universe,  
as the Greed is a great persuader, duplicitor, solicitor, corrupter.  
Wondering about the future and who has survived to explore it?  
Who will I have to fight to survive and, hopefully, who will save my life?  
Needing Love, not Hate, and knowing they are still there in all shades of the Soul.

Yea, though I walk through the Valley of the Shadow of Death,  
I will fear no Evil, for Thou are with me . . .

Where are you now?

Praise the Lord and pass the ammunition.
